ANNUAL GIVING MATTERS

Dear Science Academy Families -

Annual Giving is the most direct way to monetarily support your child's education at The Science Academy STEM Magnet. Represented by a dedicated group of elected parents, SciFI works closely with The Science Academy STEM Magnet Staff to ensure instructional material needs are met. **The ask for each child is \$980. However, we ask that you contribute whatever you can.** Our goal is 100% participation from our Science Academy families - any level of contribution counts!

ANNUAL GIVING:

All contributions are tax deductible.

Donations can be made in single payments or over 10 month installments.

Every homeroom that reaches 100% will earn a movie night!

An optional Clubs & Competitions contribution can be made via PayPal to help alleviate the costs of our students as they compete in areas such as Robotics, Science Bowl, Science Olympiad and Cyber Patriots.

Please visit <http://thescienceacademystemmagnet.org> and click on the **DONATE** button to the right to pay via Credit Card or PayPal.

Checks payable to SciFI are also accepted and can be dropped off in the Office.

Please consider being as generous as you can to support The Science Academy STEM Magnet. All funds raised will be used within the current school year.

Our high level of achievement is enhanced by the generosity of our Science Academy Families. Thank you for your commitment to our program!
