How Can I Support The Science Academy STEM Magnet??

## **ANNUAL GIVING:**

Annual Giving is the most direct way to monetarily support your child's education at The Science Academy STEM Magnet. Represented by a dedicated group of elected parents, SciFI works closely with The Science Academy STEM Magnet Staff to ensure instructional material needs are met. The ask for each child is \$1463. However, we ask that you contribute whatever you can. We hope to achieve 100% participation from our Science Academy families - any level of contribution counts! All contributes are tax deductible. Receipts for tax purposes are available.
